

## NAHCR 2010 Image Conference

We hope you plan to attend the 36th Annual Image Conference, July 6-10, at the Mandalay Bay in Las Vegas, NV.

The conference committee has put together an excellent educational agenda with new topic offerings and new speakers. There will definitely be something for everyone.

There are several social events offering networking time for all attendees to get reacquainted with old friends and meet new ones, too.

The pre-conference offerings include three one day workshops. These are the Advanced Recruiter Workshop, the Recruitment and Retention Core Curriculum Workshop and NEW for 2010, the Recruitment Metrics Workshop.

The NAHCR Credentialing Exam will be offered on Tuesday, July 6. In order to sit for the exam you must meet the following criteria: a minimum of two years experience in health care recruitment and currently employed as a health care recruiter. The new criterion to sit for the exam does not require that you be a member of NAHCR. To register for the CHCR exam, please visit the NAHCR Web site at [www.nahcr.com](http://www.nahcr.com). The fee for members to take the exam is \$395.

The Credential Review Course also will be offered. This session is a comprehensive review of the key aspects of which each health care recruiter must have knowledge to be a professional in his/her field. This course also will help prepare those taking the CHCR exam.

**NAHCR members registering for the Image Conference before May 31, 2010, will receive a reduced registration fee of \$600, which is a savings of \$100..**

**Registration materials are available at [www.nahcr.com](http://www.nahcr.com).**

### Things To See and Do at Mandalay Bay

#### The Lion King

Experience the phenomenon. Visually stunning, technically astounding and with a musical score like none other you've ever heard. Giraffes strut, birds swoop, gazelles leap. The entire savannah comes to life and as the music soars, Pride Rock slowly emerges from the mist.

#### Aquarium & Sharks Reef

Welcome to the deep blue world of Shark Reef. Here you will come face-to-face with some of the earth's most fascinating creatures in North America's only predator-based aquarium and exhibit. See sharks of all kinds, along with sawfish, giant rays, endangered green sea turtles, piranha, moon jellies and the rare golden crocodiles.

#### House of Blues

The House of Blues in Las Vegas opened in 1999 inside the Mandalay Bay Hotel and Resort on Las Vegas Blvd. This venue features an open air balcony, and is home to over 300 pieces of original folk art and 50,000 bottle caps incorporated into Mr. Imagination's mural decorating the entrance.

#### Lazy River and Wave Pool

Voted by Trip Advisor as one of the best Pools in the U.S. in 2006, Mandalay Bay's 11-acre tropical Sand-and-Surf Beach will have you believing that you're in the Caribbean. Open only to guests, this gigantic tropical playground offers three pools, several whirlpools, a Lazy River ride, and a full sand beach fronting a huge Wave Pool\*.
